“PAWS FOR READING is a program that allows children to read aloud to a therapy dog (cat or bunny) in order to improve reading and communication skills. Children read individually to training pets (and their handlers) in the library where they can feel comfortable and confident and have fun! After all, a dog will not correct them or make them feel awkward if they stumble.”

Join us at the Wilmington Library for one on one reading aloud to one of the furry therapy friends for PAWS for People.
