

Congratulations to all the winners. A great THANK YOU to all the participants. We had a panel of 10 judges in two separate groups. The judges included folks from all walks of life including a professional chef. They voted individually on three categories; taste, texture and appearance.

The festival was a very successful event, our first Saturday ever, and made a little over \$1600. We did not get entries in the kid or Teen categories, although most of our attendees were families who said they will enter next year.

Thank you for helping us with another very successful Wilmington Library Chocolate Festival.

Candy Amateur 1st place: Eileen Dorman (Mochaccino Fudge)
